SWIMMING

Enjoy a beautiful 25-meter heated swimming pool and enclosed shaded children's pool with a spray turtle. The Woodbridge Club provides group and private swim lessons for children and adults. Our swimming program is supervised by our Aquatic Specialist Molly Rosner Anderson; a certified teacher and coach.

Molly, a former Woodbridge Club and Amity swimmer also heads our swim team for children ages 4-17 who are more experienced swimmers. They compete in meets against other area pool clubs. It is a wonderful opportunity for children to gain aquatic skills while developing new friendships in a team setting.

TENNIS

The Woodbridge Club, home of "Chris Raffone Tennis" has the finest program in the area. Dynamic Pro Chris Raffone and his staff combine high energy and enthusiasm attracting both adults and children to become actively involved. Many of our junior players have gone on to excel at the high school and collegiate levels. Chris and his staff offer lessons and clinics for all ages. There is something for everyone from Junior InterClub matches to weekly tennis nights for men and women, and Sunday Olympics. Our lighted top quality courts (2 All Weather and 5 fast dry HarTru clay) can be used as long as weather permits.

SOCIALS

The Club offers many social activities through-out the year for children and adults. We have banquet facilities, playgrounds, fields, basketball, volleyball, grills, and picnic tables.

Club members have access to deeply discounted golf rates through our affiliation with Orange Hills Country Club. Our weekday afternoon Children's Program offers transportation and structured supervised play. Kids can get out of the sun in our game room featuring ping pong, air hockey, and foosball. The Legendary Events Café serves meals and treats with both indoor and outdoor seating. Best of all, everyone can relax and enjoy friends and family at the Woodbridge Club.
